TO: Parks & Recreation Commission
FROM: Danielle Brewer, Community Services Superintendent
SUBJECT: Organics Program and Give Away Event on April 19, 2014

In January 2014, all San Bruno residents began participating in Recology's organics program. The City of San Bruno also began participation in this program. Organics receptacles have been placed in all City facilities for use by the public and City staff. The goal of this program is help reduce waste going into landfills.

As part of the amendment to the Franchise Agreement with Recology approved by the City Council in November 2013, Recology, in partnership with the City, will offer compost to the community on a bi-annual basis. To celebrate Earth Day and, in conjunction with the spring planting season, the free giveaway of compost will take place on Saturday, April 19 from 8:00 to 11:00 a.m. Bring your own bucket (BYOB) to the parking lot area of Beckner Shelter to get your free compost.
